### *Danute's Dialogue:*

Greetings!

It has certainly been quite a month! We helped our District collect and deliver hurricane relief supplies and recently our Club collected \$281 from our October Happy Dollars collection. The Board approved rounding up that amount to \$500 which will be sent into the District Relief Fund in the Club's name.

We also had a very successful Fireside Chat on 10/25. Thank you, Chuck, for leading the informative evening and thank you members for attending!

Chuck has been updating our Foundation Donor file. If any member would like to propose a donation to a new local organization, please request a form from Chuck so that we can continue to keep our Donor files complete.

Our move to the VFW has been successful so far. We will continue to monitor our parking situation as the year goes on. Our Rotary Christmas Party (December 3) menu has been set and sign up will begin with the November 1 meeting.

Our next Board meeting will be Tuesday, December 13 (moved from 12/15).

Thank you, members, for continued support and involvement!
